# *Workforce*

# *Workforce*

- Key element: Identifying staffing gaps and training needs
- ACP is contracting with the Center for Health Workforce Studies, an Albany based research center to develop and distribute a survey tool for workforce assessment and analysis
- The survey tool will be distributed through an electronic link to all of our medical practices and community partners in mid January
- A quick response is required in order to conduct a thorough analysis of the workforce and to determine staffing requirements and training needs for the PPS as a whole.
- ACP staff will be available to assist in completing the survey

# *ACP PPS Requirements*

## *ACP PPS Goals*

- Implementing collaborative models of patient care
- Enhanced care coordination and care management models
- Monitoring specific performance measures
- Adherence to evidence-based protocols
- Adherence to standardized processes across the PPS
- EDI and PCMH level 3 certification
